- Double regulating valve independently controls and adjusts closing and latching speeds.
- Stainless Steel SS-304 Plate.
- Pivot Cover Plate material is stainless steel.
- The Pivot is adjustable in door.
- Heavy duty & compact size.
- The Floor Spring is manufactured from alloy steel material.
- The Floor Spring tested 5 Lac cycle.
- Pinion manufactured from steel alloy & machined and heat-treated.
- Right-hand and left-hand opening doors.
- Door / Frame mounting.
- Door opening angle up to 90 degrees hold.
- **S.S. Matt & Glossy**

Smart Tips

- To help consumers get the best of out of our products, HOLISTIC has evolved a set of guidelines, which if followed ensure optimum and trouble free performance with enhanced durability of HOLISTIC products for years to come.
- In our quest for quality, we constantly improve designs, features and specifications of our products. We therefore reserve the right to alter or change the design specifications and prices without prior notification. The colour / finish of the products in this catalogue may not match the actual colour/finish due to printing limitations.
- Clean the Fitting with just a soft damened sponge or cloth. Then simply rinse off and wipe dry. We also advise against the use of cleaning agents containing ammomia, bleach, acids, waxes, alcals, solvents ,abrasive or other products not recommended for chrome and other finish.

Dream it, Find it, Love it
